

Avalanche Racing has a "SUPER" kick-off in Duluth

Chicago, IL - November 26, 2007

Amsoil Duluth National, Duluth MN. marks the season kick-off to the exciting, high-flyin, world of the national snocross racing and Avalanche Racing "came to the show!"

This year's line-up of Pros are incredibly talented racers and earning one of the top honors this weekend is our Pro - Mike Schultz. Mike captured a Pro Super Stock podium, was in the top five of the Pro Open National and qualified for the Winter X-Games. A great start within a group of fierce competitors! He says, "It feels great to be back on the track and I plan to spend A LOT of time in the winner's circle!"

Our own Kylie Abrahamson (breast cancer awareness spokesperson) dominated the Pro Womens division finishing 1st in both rounds and earned a 1st place finish in the final which was one of the most exciting races of the weekend. She had a tough holeshot and was in last place in the first corner, but she turned on the heat and with her usual style and grace drove her way to the checkered.

Andrew Johnstad captured an outstanding podium of his own in the Semi-Pro Open Class, running excellent in rounds, taking a third in the final, plus brother, James Johnstad, Junior 10-13, captured an exciting second place trophy. Kudos Racers! A SUPER start to the season!

"In between podiums we had the opportunity to make a donation to the Pink Ribbon Riders on behalf of Avalanche Racing in addition to Kylie sled proceeds at the end of the year. We believe whole heartedly in the work they do! We try to help when we can." said Bonnie Glefke Avalanche Racing Team co-owner.

Fans...you need to stay tuned! Your not going to want to miss a minute of this season's edge of your seat, incredibly awesome competition.
