## 2009 Pink Ribbon Riders 3rd Annual Minnesota Snow Run raises \$25,000 and still counting!

This past weekend 130 participants gathered at the Quadna Mountain Lodge in Hill City, Minnesota to ride in "Honor and in memory of those we Love" with breast cancer. The event kicked off with a welcome party on Friday evening that included a silent auction, door prizes and a vintage Snowsuit contest!

The event is open to both men and women riders and this important as the Pink Ribbon Riders stresses to the public that men can also get breast cancer and the disease effects all of those around us. Last year

the event raised \$12,000 and had 70 riders. This Year

\$25,000 was raised and 130 people were involved! The Snow Run ride started at 10 am on Saturday am in the chilly weather and took the riders on a 100 mile scenic ride and made a stop for lunch at the beautiful Wendigo Lodge in Grand Rapids. The riders returned around 5pm for a dinner awards banquet featuring music, giveaways and the Prize Program sponsored by HMK USA, KLIM, Castle/HJC, tek Vest, TEK VEST, Woodys, Togwottee Mountain Lodge, WY, SLY dog Skis, Choko Clothing and Arctic Cat.
