

Dear Business Owner,

Hello!

My name is _____ and I am a participant for an upcoming fundraiser for the Pink Ribbon Riders. Pink Ribbon Riders is a non-profit organization that provides direct financial assistance to men and women that are battling breast cancer in our state. I am hoping we may team together to help patients in need that maybe in your area.

Patients receive a \$500.00 financial gift from the Pink Ribbon Riders organization that can help with gas money, medical bills or any day life costs that they need at the time of their battle.

I am participating in the 2025 Snow Run event on _____. The funds raised at the event will stay in our state for patients that live here. I am hoping you can help me with one of the below. All donations are tax deductible.

The ways in which we can help the Pink Ribbon Riders organization through my attendance is to:

- **Raise financial pledges** – Can you make a donation towards my pledges that will help a patient in need?
- **Pin Ups** – Can you hang Pin Ups? Collect donations from your patrons and hang a pin up!
 - All money raised from Pin Ups, I will turn in at the event to help a patient in need.
- **Participant Basket Contest** – I help by bringing a basket for raffle. Donated items that I put together from your business or multiple businesses that will be raffled off the night of the event.
